FADE IN -- Title:

For nearly forty years this story has given faithful service to the Young in Heart; and Time has been powerless to put its kindly philosophy out of fashion.

To those of you who have been faithful to it in return

...and to the Young in Heart --- we dedicate this picture.

AUNT EM

Seventy -- Dorothy, please!

DOROTHY

Oh, but he doesn't do it every day -- just once or twice a week. And he can't catch her old cat, anyway. And now she says she's gonna get the sheriff, and --

DOROTHY

Well, gee, I try and have a heart.

HICKORY

Now look, here's something that really has a heart. This is the best invention I ever invented.

DOROTHY

This?

HICKORY

Sure. It's to break up winds, so we don't have no more dust storms. Can you imagine what it'll mean to this section of the country? I'll show you. It works perfectly now. Here's the principle. You see that fan -- that sends up air currents into the sky. These air currents

- all react to the Wizard's announcement --

WIZARD

Frightened? You are talking to a man who has laughed in the face of death -- sneered at doom and chuckled at catastrophe. I was petrified. Then suddenly the wind changed, and the balloon floated down into the heart of this noble city, where I was instantly acclaimed Oz, the First Wizard de Luxe!

DOROTHY

Ohhh!

WIZARD

Times being what they were, I accepted the job, -- retaining my balloon against the advent of a quick get-away.

(laughs)

And in that balloon, my dear Dorothy, you and I will return to the land of E Pluribus Unum!

MCU -- Dorothy -- Lion behind her -- she speaks --

DOROTHY

Well, I -- I think that it -- that it
wasn't enough just to want to see Uncle
Henry and Auntie Em -- and it's that --

DOROTHY

Oh -- Goodbye, Lion. You know, I know it isn't right, but I'm going to miss the way you used to holler for help before you found your courage.
